 435-4491
 435-4492 (EXTENDED)

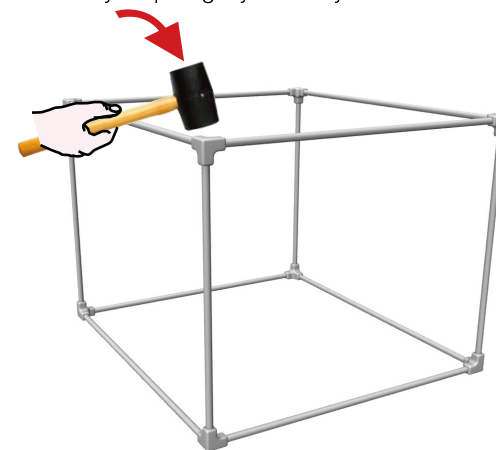

CONTENT:

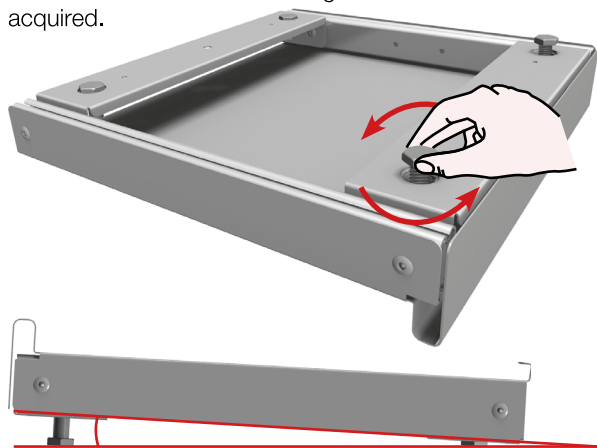

- 1 ASSEMBLE**
Take the 4 pins and put it together with one of the already assembled constellations. Tap it lightly until fully inserted.

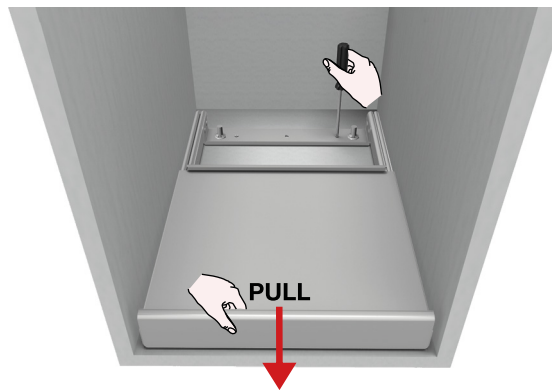

- 2 ASSEMBLE**
Combine the remaining constellation with the earlier assembly. Tap it lightly until fully inserted.

- 3 ADJUST & HEIGHT/TILT (OPTIONAL)**
Turn bottom part upside down and turn legs anti-clockwise until desired height or tilt has been acquired.

- 4 POSITION AND ATTACH**
Start by putting the bottom part of the Mappi File Expansion inside the drawer and pull the front part out. Using all four screws, attach the Mappi File Expansion to the bottom of the drawer.

- 5 INSERT**
Finish the installation by inserting the square constellation into the bottom part.
