Axessline LiftPipe Tray

Cable tray, L1450 mm

Before assembly

Please spend a minute to read this and follow the procedures step by step. Do not discard any of the packaging until you have checked all the parts and the package of fittings.

A: Make sure the table will fit to a 1450mm length of cable management like this product.

B: Secure the holder "First" to the desk by 4 screws. In "Second" step, finish the other side.

C: Choose desired height from surface below the deskboard.
(5mm, 35mm, or 65mm)

D: Position by the edge of the deskboard or other optional position.

Caution:

Regular cleaning with a clean dry cloth is usually sufficient, but for stubborn marks, wipe over gently with a clean damp cloth. Never use strong detergents or abrasive cleaners as these may damage the surface finish of your furniture. There are many small components used in the construction of this unit. These loose items should be kept away from young children while assembling your unit.
