x1

This is an accessory for:
935-TP05 Powerdot Tray for 5 Powerdots
935-TP02 Powerdot Tray for 2 Powerdots

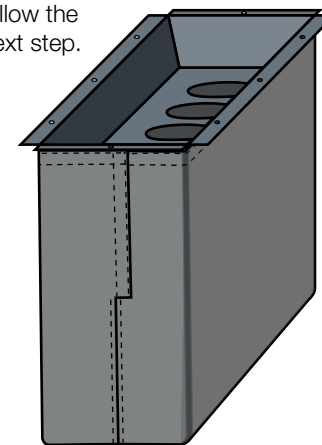

- 1** INSERT SHEET
Insert sheet metal into the bottom of the bag and position well.

- 2** HOOK THE BAG TO THE TRAY
Start hooking the bag from the middle of the short side work your way around.

- 3** RESULT
The product is now fully installed. If changes need to be made, simply follow the next step.

- ADJUSTING AND CHANGES**
If a change needs to be made, simply open the bag up from the middle by unhooking the velcro and unhook one side of the bag.
